The History of Halloween

By Michael Tang &
Alex Clymer

It's that time of year again when summer shifts to fall, and Halloween is just

around the corner. Halloween is well known in America for dressing up in costumes and going door to door asking for candy.

Halloween dates back to the ancient Celtic festival of Samhain (the first day of November, celebrated by the ancient Celts as a festival marking the beginning of winter). The Celts lived about 2,000 years ago in what is now the Isle of Man and northern France; they believed that the dead returned to Earth on Samhain.

What do people like to read in the 21st century?

By Alexander Clymer

Some people love to read mystery while others love reading about people and their history. There are so many different genres; but what most people think about is grouped into two, fiction and nonfiction.

Placentia Farmers Market

By Cory Johnson

The Farmers Market is a fun event where people can make friends and purchase local goods such as soap, honey, spices, beef jerky, popcorn, and clothes. It is a weekly gathering every Tuesday on the corner of Kraemer and Yorba Linda Blvd.

The Farmers Market is a great place to get food if you want to grab a delicious bite. So if any of this is something you need or just want to check it out sometime, then you know where to go.

Horrifying Death

By: Andrew Shin

Recently, Marlins pitcher Jose Fernandez was killed in a boating accident on September 25, 2016. The Miami Marlins pitcher defected from Cuba at 15 and went on to become one of baseball's brightest stars.

The 24 year old was found with two friends in an upturned boat outside of Miami Harbor. The boat had been traveling at 50 to 65 miles per hour crashing straight into the rocks. Jose was not the owner of the vehicle; he was a passenger. The crash had hit many people very hard. One of them was Dodgers' outfielder, Yasiel Puig. Both had escaped from their homes in Cuba and had come to America.

Another whom was struck was Marlin's second baseman, Dee Gordon. Dee had been a good teammate and was very close to him.

That day, the Marlins-Braves game had been cancelled. When it was rescheduled, before the game the fans and players had a moment of silence to honor their fallen hero. To lead the game off, Dee Gordon stepped up to the plate blasting the ball into the stands, home run for his friend. Gordon couldn't keep in his emotions as he walked back into the dugout. The Marlins went on to win 7-3.

Pokemon Go, Gotta Catch 'Em All!

By Ethan Pham

Pokemon Go is a free mobile game where people locate, capture, battle, and train virtual reality creatures called Pokemon as if they were in the same real-world location as the player. Pokemon Go should only be played outside because your character wouldn't be able to move and find any pokemon at all. Pokemon Go encourages people to step outside and do something better than staying inside.

Book Genres

Action	18
Adventure	5
Comedy	2
Mystery	8
Drama	2
Historical	3
Science fiction	1
Total people	39

Over all a lot of the people surveyed chose "action" as their favorite genre with "mystery" coming in second; both my favorites.

I asked people what their two favorite book genres were and they gave me one or two. My goal was to ask 30 people, but I actually asked 39. Most of the people were, and from Morse Elementary in Mrs. Tang's 6th grade class.

Morse Elementary School is Drug Free!

By Jack Rivera

Most of the Red Ribbon Weeks are just kids not caring or taking it for the actual cause; but this year it's going to be different at Morse Elementary School. Some of the things that we are doing to keep away from drugs are:

Monday	Wear Red: Take a stand against drugs
Tuesday	Wear Sports Gear: Team up against drugs
Wednesday	Mix-Match Day: Don't get mixed up with drugs
Thursday	Wear Pajamas: Follow your dreams and don't do drugs
Friday	Wear Morse School Colors: Education is the Key. Morse School is Drug Free.

Trunk or Treat

By Estella Fritz

Trunk or Treat is a nighttime school activity where you can come dressed up in your Halloween costume and have fun with friends and family. They have a photo booth, and you can put on crazy items that have four different themes. Another booth has temporary tattoos. The best part about Trunk or Treat is that you get CANDY! Some people bring their cars and decorate them: spooky and creepy! You walk up to them and say "Trunk or Treat". This year a Low Riders Club sponsored us with their Trunk or Treat. There were many old fashioned cars with spooky trunks. There were many costumes as well, and even the teachers were dressing up. Mrs. Skokan was a mouse, Ms. Parelli was an owl, Mrs. Lama was Little Red Riding Hood, Mrs. Callahan was a witch, and Mrs. Sundstrom was a doctor. It was a lot of fun.

"This is Halloween"

By Aaron Rivera

Halloween is a holiday we celebrate every year. It is a holiday that is fun for children and adults across the United States. You go trick-or-treating and get lots of candy! You get to wear costumes and carve pumpkins! What I like to do is go around to all the houses to see their decorations. Last year for Halloween, I was a Stormtrooper from the movie STAR WARS™. I got 423 pieces of candy that year to be exact. We went trick-or-treating for 4 hours! My legs were so tired! This year I dressed as Ramses and got 112 pieces of candy. I can't wait for next year. It is so fun!
